NEXT REUNION JUNE 27 - 28, 1921

—March, 1921—

### Classmates:

At our 1916 reunion the secretary was directed to prepare a new class directory, the last one having been issued in 1906. He has worked at this intermittently for four years. Have you any idea of how many hundreds of letters he has written in order to secure the information contained in this small booklet? The secretary does not wish to complain but is very frank in his expressions that the task would have been somewhat easier if many of you had answered the letters which he wrote you. Again, others have written many letters helping verify addresses and have furnished valuable information.

However, since the material is now ready for the printer, we forgive you all, and will make oath that there was never a finer bunch of fellows.

116 of us graduated; 32 have bade us farewell forever; Shewmon is unaccounted for; Blakeley and Kline cannot be found; help us find them.

On the 27th and 28th of next June (1921) at least 35 of you ought to attend this reunion.

If you don't like this booklet, lay no blame on our President—that fine southern gentleman. Write the secretary what's the matter with it; he is the guilty party.

John T. Moffit,  
Secretary

Tipton, Iowa, March 1st, 1921.
